November 25, 2024

Dear valued patient,

A few weeks ago, Chevy Chase Pulmonary Associates sent a letter announcing Drs. Abril, Hamm and Solomon's planned transition to Johns Hopkins Medicine. We are excited to share that, as of November 4, they have officially joined Johns Hopkins Medicine Pulmonology. We would like to welcome you, as a valued patient and member, to Johns Hopkins Medicine.

Please rest assured that you will continue to receive the same excellent, patient-centered medical care you have come to expect from your Chevy Chase Pulmonary Associates team. Here are a few reminders:

- Patient care will be provided by the **same physicians** you have come to know and trust: Peter Hamm, M.D., Michael Solomon, M.D., and Juan Abril, M.D.
- The **locations will remain the same**: Chevy Chase and Sibley Memorial Hospital. The practice business addresses and phone number *have not changed*.
- The practice will continue to accept most insurance plans. If you have questions or concerns, please reach out to your insurance provider directly.
- Your medical records will be transferred to the Johns Hopkins Medicine electronic medical record system, Epic, and will be available March 1, 2025. Until then, please contact Privia via email at **medicalrecords@priviahealth.com** if you need to request your records. After March 1, 2025, Johns Hopkins Medicine will gladly take care of any record-related requests.
- Your patient portal will now be the Johns Hopkins Medicine MyChart secure online portal, where you will be able to send messages to your providers, directly schedule appointments, request prescription refills, request referrals, electronically check-in for your appointments and more. **See handout for instructions on how to create your MyChart account.**
- You may now visit **jhcp.org/pulmonology** for our pulmonology locations and the most up-to-date information regarding practice hours, providers, etc.

If you have questions about Johns Hopkins Medicine Pulmonology, please **call us at 301-656-7374**. We sincerely appreciate your patience during this transition, and we look forward to continuing to provide you the highest quality care.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven J. Kravet".

Steven J. Kravet, M.D., M.B.A.
