Please send the following to Karen Reyes (kreyes7@jh.edu):

1. This completed form
2. A CV or resume
3. A statement of research interest (up to 1500 words). This is a personal statement that describes why you are interested in additional genetic counseling research training. It could include your experiences with research, scientific questions you are interested in pursuing, methods you'd like to learn more about, and/or your career goals or plans.
4. Two letters of recommendation describing your interest in and exposure to research. At least one should be from a genetic counseling colleague, mentor, advisor, or supervisor.

We encourage potentially interested genetic counselors to **email Cindy James, ScM, PhD, CGC** (cjames7@jhmi.edu) (PI) to discuss PROMOTE-GC and alignment with your career goals and interests.
