## Connect Your Patients to Timely, Personalized Behavioral Health Care

*Attend our webinar presented by UpLift*

**Thursday, Nov. 14 | 2:30 to 3 p.m.**

Discover an efficient way to help your patients get started with a therapist or psychiatrist. Register for our upcoming webinar to learn about:

- [UpLift](#), a virtual behavioral health practice offering a greatly expanded provider network and personalized matching with a clinician
- How you can help your patients quickly and easily access quality mental health care
- How you can refer your patients to UpLift for care

Attendees will also have the opportunity to ask questions directly to UpLift representatives during the Q&A session.

**Register Now**

Please register in advance. After registering you will receive an email with instructions for adding the invitation to your calendar and joining the meeting.

Can't attend? [Register anyway](#) to receive the presentation and marketing materials after the session.

All plan members of Employer Health Programs (EHP), Advantage MD and US Family Health Plan (USFHP) can use UpLift providers at in-network coverage.
