All Children's Hospital

## About All Kids' Wonderland:

All Kids' Wonderland is a free "shopping" event for our inpatient parents/caregivers as well as families identified by our Social Work department with an identified need. Hosted by our Department of Patient and Family Centered Care, this event serves 250+ families. All Kids' Wonderland is intended to remove additional stress from families who are already facing numerous challenges during the holiday season. It provides the opportunity for families to experience the joy of the holiday season, while staying close to their loved ones receiving care.

The first floor of our Outpatient Care Center is transformed to a holiday themed atmosphere where families are able to "shop" from a large selection of gifts donated by our community. Volunteers assist families as personal shoppers, gift wrappers and help deliver gifts to patient rooms.

Funds raised for All Kids' Wonderland are used to celebrate our patients and families during the holiday season and support the overall daily efforts of the Department of Patient and Family Centered Care.

## About Johns Hopkins All Children's Department of Patient and Family Centered Care:

Throughout the year, the Department of Patient and Family Centered Care at Johns Hopkins All Children's Hospital helps support patients and families as they cope with illness, injury, treatment, and hospitalization.

This includes child life specialists who provide care and support for newborns to age 21 and strive to reduce fear and stress as much as possible. Through therapy, coping support and play, our specialists provide activities to help patients and their families better understand a diagnosis and manage stressful health care experiences.

"I've never seen anything like it before. There were three rooms of toys for inpatient parents/guardians to 'shop' for their kids. All donated. Completely at no charge to the family. I was floored. So many toys for kids of all ages. For those that donate items for kids and to sponsors, if you ever wonder if it makes a difference, I'm here to tell you that it does. Thank you for giving."

Grateful Mom
